Conditions of issue

This certificate is issued in terms of the Electrical Installation Regulation of 2010 and table 4.1 SANS 10141-1. It remains at all times the property of the National Regulator for Compulsory Specifications. It is issued subject to the conditions detailed below, and may be withdrawn or cancelled at any time, at the sole discretion of the National Regulator for Compulsory Specifications.

1. Any relevant amendment to the wiring code SANS 10142-1 (provisionally) nullifies this certificate subject to prior notice to the affected party(s) by the NRCS through any medium deemed appropriate.
2. Waiver of liability
This certificate is issued for use only by the applicant stated overleaf. This certificate may not be given/sold/ceded/traded to any other party, and use of this certificate by any party other than the stated applicant is an offence. The National Regulator for Compulsory Specifications (NRCS) hereby distances itself from and accepts no liability in respect of the unauthorised use of its RCC/AC for other than strictly what it is intended for. NRCS furthermore disclaims liability for any unauthorised instruction for which permission was granted and any opinions or recommendations expressed herein are those solely of the author.
3. This certificate is issued without alterations or changes. Any alterations or changes will render it invalid and may constitute a criminal offence.
4. This certificate is valid only until the Expiry Date stated overleaf, thereafter application should be made for the issue of a new certificate.
5. This certificate is issued only for the product specified overleaf and may not be used for any other product, whether similar or not.
6. This certificate is issued only for the specified products, samples of which were submitted for testing. Should any changes be made to the product that could affect compliance with the requirements, or should a different manufacturer be sourced for supply, then the applicant shall submit further samples for testing and approval.
7. The applicant undertakes that he, or his appointed agent, shall present the original of this certificate, and one photocopy to the relevant Customs and Excise clearing official each time a consignment of one or more of the products stated overleaf is cleared for import into the Republic of South Africa.
8. Please note that the National Regulator for Compulsory Specifications acts and investigates complaints received from any source. The NRCS will take immediate action against sellers of non-compliant products and apply the sanctions prescribed in the NRCS Act.
